```
graph BT; A[irr::scene::SMD3MeshBuffer] --> B[irr::IReferenceCounted];
```

The diagram illustrates an inheritance relationship. A box at the bottom labeled 'irr::scene::SMD3MeshBuffer' has a vertical line extending upwards from its center. This line connects to a horizontal line that spans the space between two boxes at the top, both labeled 'irr::IReferenceCounted'. From the left end of this horizontal line, an arrow points up to the bottom of the left 'irr::IReferenceCounted' box. Similarly, from the right end of the horizontal line, an arrow points up to the bottom of the right 'irr::IReferenceCounted' box.
