```

The diagram illustrates a class hierarchy. At the top, there are two identical boxes, each containing the text 'irr::IReferenceCounted'. Below these, centered, is a box containing 'irr::video::IImageWriter'. A horizontal line connects the two top boxes, and a vertical line descends from its center to the top of the bottom box. From this vertical line, two arrows point upwards to the bottom of each of the top boxes, indicating that 'irr::video::IImageWriter' inherits from 'irr::IReferenceCounted'.
